students can take part in Formula Student — Europe's most established educational motorsport contest

Institution of
MECHANICAL ENGINEERS

IET The Institution of
Engineering and Technology

Studying Science

Take advantage of facilities such as the new robotics and 3D printing laboratories

Computer Science programmes provide you with the skills, experience and technical expertise to put you in high demand when it is time to enter the job market.

Computer Science graduates work for the likes of **Sony, Microsoft, Electronic Arts, Rockstar Games, Dell and Fujitsu.**

Computer courses at Hull are linked with industry giants such as Microsoft, Sony and EA.

Specialist areas include computer gamification, dependable intelligent systems, robotics and AI, and simulation and visualisation — innovative degrees for post-pandemic careers.

Marketing and PR is ranked 21st

Guardian University Guide 2024

Chemistry is ranked 16th

Guardian University Guide 2024

Studying Business

As a business student, you will benefit from professional accreditation or membership of professional bodies and/or exemptions from professional examinations.

The Business School is proud to hold multiple industry accreditations as well as independent international accreditations such as AACSB, held by less than 5% of the world's 13,000 business programmes.

The Business School subscribes to a number of databases used within business programmes including Bloomberg, Thomson Reuters, ELKON, Orbis and FAME.

Studying Politics

Hull offers one of the UK's largest integrated Westminster placement schemes

Recent Politics graduates have taken roles as; Senior Assistant in the Prime Minister's Political Office, Director of Communications for the Financial Times, Member of Parliament and Head of Political Communications for the Labour Party.

Studying Law

Law has been taught at Hull since 1927 and is highly regarded, both within academia and the legal profession.

Experience law in practice, advising real clients with real problems. Over 1,000 people have been helped by students from the regional community.

Learn the ropes in the mock law court, enter moot competitions to hone your skills and engage in client interview practice.

Showcase yourself at the annual Law Convention. Over 30 stands offer you the opportunity to present yourself to potential future employers, and gain vital contacts in the industry.

All three year courses have option to study abroad for a trimester whether in Europe, the US or Hong Kong.

Top 10 in the UK for Teaching Satisfaction and Value Added

Ranked 5th in the UK for Student Experience

Ranked 25th in UK for Politics

“I would really describe Hull as the most spectacular place to go to.”

Shihab, Omani
OnCampus Alumni, currently studying Mechanical Engineering at University of Hull

Your route to a degree at the University of Hull

OnCampus Hull offers guaranteed progression* to a wide range of undergraduate and postgraduate degrees at the University of Hull, on successful completion of our Foundation, International Year One or Pre-Master’s Programmes.

*subject to meeting the specified entry criteria

OnCampus gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

OnCampus is part of Cambridge Education Group, one of the UK’s leading university pathway providers since 1952.

Cambridge Education Group was the first

private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK’s top universities every year.

Part of the University from day one

The OnCampus centre is located at the heart of the University.

You will receive a University student card, and with it you will

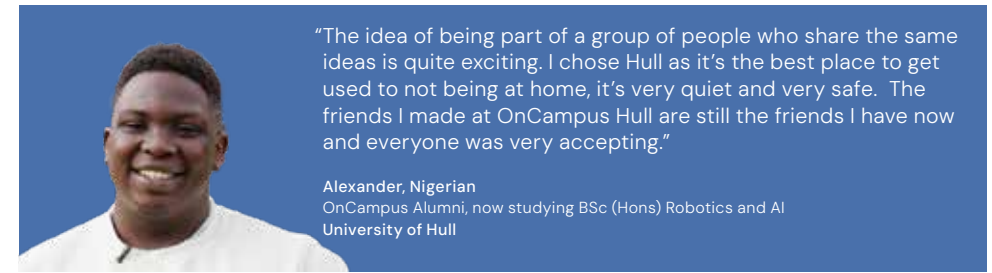

have access to all the University’s facilities, clubs and societies while you study your OnCampus programme.

You will meet your course leader at the University before you start your degree, and have the opportunity to try out some of the excellent facilities.

12 January 2026 – 07 August 2026	2 semesters	September 2026

Please visit www.oncampus.global for full details on fees and module content.

Guide to Hull, Yorkshire

Hull is a bustling city in Yorkshire that sits on the northern shore of the Humber Estuary.

The city is close to some of the UK's most scenic countryside as well as expansive coastlines. The entire city centre has been revamped in recent years, all of which helped it achieve the prestigious 'City of Culture' award.

Hull is also one of the least expensive cities in the UK, meaning your money will go much further when compared to other similar cities in the UK.

York

Just under 1 hour by train.

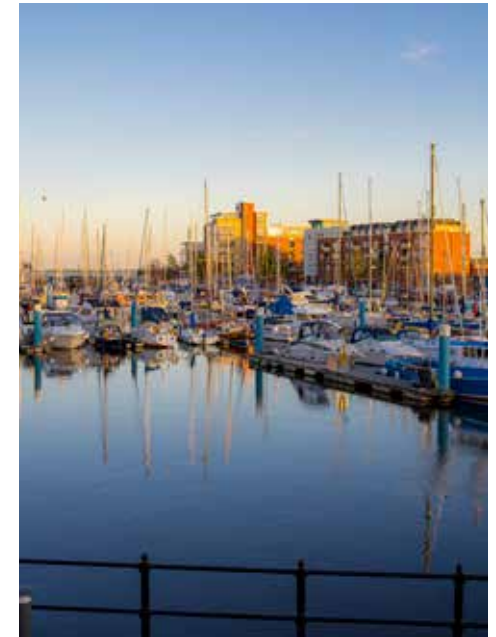

Famous for its beautiful cathedral, cobbled medieval streets like The Shambles and its historic city walls.

www.yorktourism.com

Hull Marina

is a peaceful oasis amidst the bustle of the Humber Estuary. With a history that spans over 200 years, the Marina moors up to 260 boats at any one time.

www.hullmarina.com

Over 50+ restaurants

within the city centre. Including Indian, Thai, Italian and many more...

Cultural Attractions

including a Museum Quarter, Ferens Art Gallery, a Grade II listed park and the deepest Aquarium in Europe.

www.cultureinhull.com

The Deep Aquarium

Located in the city centre, The Deep is one of the UK's most spectacular award-winning aquariums.

Direct flights to Europe

from nearby Humberside Airport, and a global reach via Amsterdam's Schiphol Airport.

5 cinemas within 5 miles of Hull city centre

including Odeon, Cineworld, Reel, and Vue.

Under 3 miles

to MKM Stadium 10 minutes by train or 12 minutes to cycle to the huge sporting venue.

Walk or cycle across

one of the largest single span suspension bridges in the world which spans 2,200 feet or 1.4 miles.

4 Shopping Centres within 4 miles of the city centre

plus regular local markets, a wide range of independent shops and further large shopping centres at Leeds and Sheffield.
