How ONCAMPUS Works

Our programmes at **ONCAMPUS** London are designed for international students who do not meet the requirements for direct entry to study at university. You will benefit from the support we offer in preparing you to progress to university.

Increase your English language level

- Academic writing skills
- Academic reading skills
- Presentation and discussion skills
- Listening and note taking

Improve academic grades and study skills

- Additional year of study equivalent to 13 years of UK study for undergraduate degree
- Demonstrate academic level to meet university requirements
- Present higher grades in Pathway programme than achieved at high school for undergraduate entry
- Learn the study skills essential for success in UK universities
- Additional research study skills for Master's students

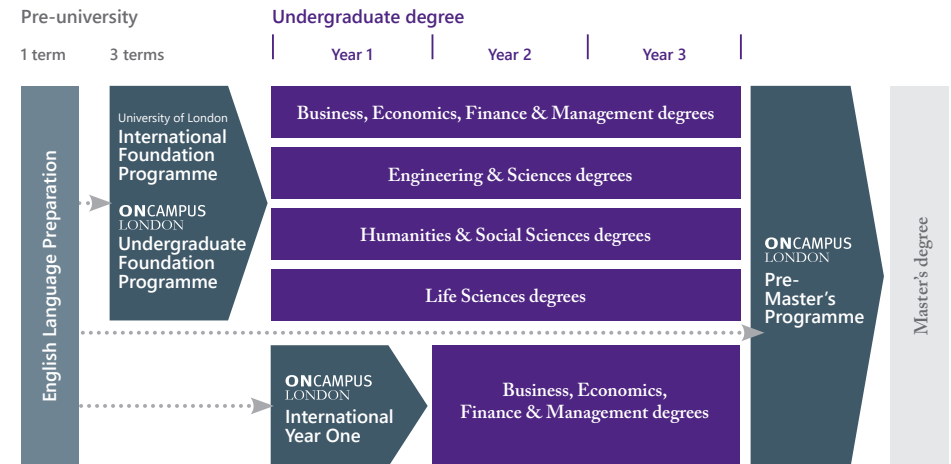

Expert university progression support

- Expert guidance on which degree to progress to
- One-to-one support sessions
- Faculty visits and meetings

Progress to university degree

Your route to a degree at University of London

ONCAMPUS London offers opportunity for progression to a wide range of undergraduate and postgraduate degrees at leading universities, on successful completion of our Foundation, International Year One or Pre-Master's programmes.

About ONCAMPUS

ONCAMPUS gives you...

Outstanding teaching and support

Through every step of your journey with us, you will be supported by highly qualified teachers and support staff, both inside and outside the classroom.

Your personal tutor will meet with you regularly to ensure that you are on track to pass the programme and progress to your chosen degree.

Your personal tutor is also there to help you with any issues you might have inside or outside the classroom.

A proven track record of success

ONCAMPUS is part of Cambridge Education Group, one of the UK's leading university pathway providers since 1952.

Cambridge Education Group was the first private institution to offer university foundation programmes in the UK in 1985, and successfully prepares thousands of students for the UK's top universities every year.

Part of the University from day one

ONCAMPUS London students study at the heart of Birkbeck, close to all the University's facilities.

You will receive a University student card, and with it you will have access to some University facilities while you study your **ONCAMPUS** programme.

You will meet your course leader before you start your degree, and have the opportunity to try out some of the excellent facilities.

Guide to Bloomsbury, London

Bloomsbury, a world-renowned intellectual and literary hub, was home to early twentieth-century writers, intellectuals, philosophers and artists, including author Virginia Woolf, and economist John Maynard Keynes who lived in the Georgian buildings now part of Birkbeck's campus.

Also known as the academic heart of London, Bloomsbury harbours some of the coolest, oldest and most prestigious schools and colleges in the whole of the UK, with the University of London making Bloomsbury the base for a number of its colleges.

University of London has **185,000** students taking over **74,000 courses**. Many of these colleges are based in Bloomsbury.

You'll notice this upmarket part of London, filled with tree-lined squares and beautiful 20th century Georgian architecture.

You'll find over **200+** museums in London, the iconic **British Museum** being one in Bloomsbury.

25

minute

walk to **Bond Street**, synonymous with luxury and designer shopping!
